### **III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE**

---

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The **Long version** of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

**LGCT SUPER GRAND PRIX**

According to 2023 LGCT Super Grand Prix Rules

The 2023 LGCT Super Grand Prix is a competition open to the winners of each Longines Global Champions Tour Grand Prix in the 2023 season.

Athletes qualified for this competition that withdraw from participation during the course of this event will not be replaced.

If the winner of a LGCT Grand Prix declines his/her invitation, the Athlete placed 2nd in the same competition is invited to participate; if the Athlete placed 2nd declines his/her invitation, the Athlete placed 3rd in the same competition is invited, and so on.

If an Athlete wins (2) two or more LGCT Grand Prix competitions in the same season, he/she is invited as the winner of his/her 1st LGCT Grand Prix competition of the season; the Athlete placed 2nd in the 2nd LGCT GP referred to above is invited to take part in the LGCT Super Grand Prix, and so on.

If there are (2) two winners of the same LGCT GP during the season (equal on penalties and time) both Athletes are invited to participate in the LGCT Super Grand Prix.

Each Athlete is allowed to take part with one (1) horse in the LGCT Super Grand Prix competition. Each Athlete can also bring a 2nd horse to compete in the individual classes held in conjunction with the GCL Play-off at the same venue.

Horses entered for the LGCT Super Grand Prix competition are permitted to take part in the individual competitions or in the GCL Team competition if a member of a GCL team on days other than the day the LGCT Super Grand Prix competition.

**Number of horses per Athlete:**

The number of horses an athlete will be allowed to bring to the GC Playoffs will depend on each individual athlete's personal type of involvement in the event, to be defined in detail as follows:

**Option 1:**

Athletes, qualified for participation in the 2023 LGCT Super Grand Prix, not being a 2023 GCL Team member at all and consequently not competing in any of the 2023 GC Playoffs competitions.

Eligibility

These athletes can bring two horses maximum to the Event, in order to compete in the individual competitions held in conjunction with the GC Playoffs. The athlete will decide by the deadline for declarations for the LGCT Super Grand Prix (as stipulated in the event's official schedule) which horse will be entered on his/her behalf for the LGCT Super Grand Prix competition.

**Option 2:**

Athletes, qualified for participation in the 2023 LGCT Super Grand Prix, also being a member of a GCL Team qualified for the 2023 GC Playoffs and being selected as such by the Team Manager as one of the three or four Athletes on behalf of that particular GCL team and being entered with two horses for the 2023 GC Playoffs.

Eligibility

These athletes can bring two horses to the Event, in order to compete with in the 2023 GC Playoffs competitions and in the individual competitions held in conjunction with the GC Playoffs.

In addition they can bring a third horse to compete with in the individual competitions held in conjunction with the GC Playoffs on days other than the day of the 2023 LGCT Super Grand Prix competition, as well as in the 2023 LGCT Super Grand Prix competition. They must decide by the deadline for declarations for the LGCT Super Grand Prix (as stipulated in the event's official schedule) at the latest, which horse (of the three horses available) will be entered on their behalf for the LGCT Super Grand Prix competition.

The third (non-GC Playoffs) horse will however not be eligible for participation in any of the competitions for the 2023 GC Playoffs, even in case one of the athlete's other horses does not pass the Horse Inspection or is declared unfit to compete during the course of the event. The third (non-GC Playoffs) horse must therefore be

designated as such in writing at the declarations office by the Team Manager, at the latest one hour before the Event's official Horse Inspection.

For clarity's sake: The other way around, should the third (non-GC Playoffs) horse not pass the official Horse Inspection, become unfit to compete during the course of the event or if deemed appropriate for any reason by the Athlete concerned, he/she can enter one of his/her other horses, present at the event, for the LGCT Super Grand Prix competition.

### **Option 3:**

Athletes, qualified for participation in the 2023 LGCT Super Grand Prix, also being a member of a GCL Team qualified for the 2023 GC Playoffs and being selected by the Team Manager as one of the the four Athletes entered on behalf of that particular GCL team for the 2023 GC Playoffs, however with one horse only.

#### Eligibility

These athletes can bring a maximum of two horses to the Event (one horse for the GCL Team and a second horse for the LGCT Super Grand Prix competition) to compete with in the 2023 GC Playoffs competitions, in the individual competitions held in conjunction with the GC Playoffs, as well as in the 2023 LGCT Super Grand Prix competition.

They must decide by the deadline for declarations for the LGCT Super Grand Prix (as stipulated in the event's official schedule) at the latest, which horse will be entered on their behalf for the LGCT Super Grand Prix competition.

The second (non-GC Playoffs) horse will however not be eligible for participation in any of the competitions for the 2023 GC Playoffs, even in case the athlete's other horse does not pass the Horse Inspection or is declared unfit to compete during the course of the event. The second (non-GC Playoffs) horse for the Athlete concerned must therefore be designated as such in writing at the declarations office by the Team Manager, at the latest one hour before the Event's official Horse Inspection.

For clarity's sake: The other way around, should the second (non-GC Playoffs) horse not pass the official Horse Inspection, become unfit to compete during the course of the event or if deemed appropriate for any reason by the Athlete concerned, he/she can enter the other horse present at the event for the LGCT Super Grand Prix competition.

### **Option 4:**

Athletes, qualified for participation in the 2023 LGCT Super Grand Prix, also being a member of a GCL Team qualified for the 2023 GC Playoffs, however not being selected by the Team Manager as one of the three or four Athletes being entered on behalf of that particular GCL team for the 2023 GC Playoffs and consequently not competing in any of the 2023 GC Playoffs competitions.

#### Eligibility

These athletes can bring two horses maximum to the Event, in order to compete in the individual competitions held in conjunction with the GC Playoffs. The athlete will decide by the deadline for declarations for the LGCT Super Grand Prix (as stipulated in the event's official schedule) which horse will be entered on his/her behalf for the LGCT

Super Grand Prix competition.

Under no circumstances these athletes will – during the Event – yet become eligible for participation in any of the competitions for the 2023 GC Playoffs, even in case one of the athletes of the GCL Team concerned becomes unfit to compete during the course of the event and/or in case one (or more) of his/her GCL team's horses do not pass the official Horse Inspection or will be declared unfit to compete during the course of the Event.

### **1. INSURANCES AND NATIONAL REQUIREMENTS**

Equestrian sports involve inherent dangerous risks. To the greatest extent permitted by law, the FEI and the FEI Event Organiser shall NOT be liable for any damages relating to loss of property or injury of any kind to Athletes, Owners, Support Personnel or Horses at or in connection with an FEI Event and the FEI expressly excludes all such liability.

#### **1.1 ATHLETES, OWNERS AND SUPPORT PERSONNEL**

##### **1.1.1 Personal accident and health insurance**

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

##### **1.1.2 Personal property insurance**

You should also ensure that you are insured against property loss, theft or damage, which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place, which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

##### **1.1.3 Press equipment**

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The Organising Committee does not accept any responsibility for any loss or damage to such equipment or items. <https://inside.fei.org/content/general-regs-statutes>

## **3. SCHOOLING DURING COMPETITIONS**

Athletes wishing to school during speed competitions (Table A and Table C) must inform the OC before these competitions begin. These athletes will start first in these competitions.

## **4. STEWARDING**

- If an athlete is uncertain as to whether the boots they intends to use during an event are allowed, they or their representative should show the boots to the Chief Steward for their opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask their groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. [Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.] If an athlete or his/her groom refuses to remove and re- place the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

## **5. DISPUTES**

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

## **6. MODIFICATION TO SCHEDULE**

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

## 7. ADDITIONAL INFORMATION FROM THE ORGANISER

In case of a tie for the 12th place in a competition with 12 to 48 starters, the prize money foreseen for the 12th place will be divided equally among the athletes concerned.

**For Competitions run in two rounds with more than 12 starters in 2nd round:**

OCs that indicate in the schedule that a specific number (that is more than 12) of athletes will return for the second round will be permitted to distribute the prize money for that competition among all the athletes taking part in the second round, even if the second round is followed by a jump-off in case of a tie on penalties for first place after the second round.

**DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS**

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

**The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.**

**IMPORTANT**

**The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations articles 127 and 128)**

For details of the prize money breakdown for each competition please refer to the tables at the end of this document; the Organiser must specify which of the two (2) tables will be used. The total prize money for the Competition must be distributed among the first twelve (12) placed athletes.

The Organiser must provide additional created prizes for athletes placed beyond twelfth (12<sup>th</sup>) place. The minimum amount for each of these additional prizes, for athletes placed from thirteenth (13<sup>th</sup>) to last place, must be clearly specified in the approved schedule and not exceed the prize money of the athlete placed twelfth (12<sup>th</sup>)

According to Czech Republic law, tax 15%

Athletes will be asked to provide all necessary information (Passport number & tax identification code) in order to

guarantee correct tax procedure. Athletes are required to fill in the attached form and return it to the OC either by email or by fax, before or with the definite entries. The prize money won will be wired directly to the Athlete's bank account after deduction of any outstanding debts incurred by the Athlete and/or his horses' owners during or in connection with the Event.

## **9. MAXIMUM NUMBER OF STARTERS PER COMPETITION**

### **\*Annex VI FEI Jumping Rules:**

Maximum 100 starters per Competition other than the GP. If more than 100 starters are declared, the OC must split the competition into the number of groups required to ensure that there are no more than 100 starters in any group, and provide the same amount of prize money as indicated

The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

OCs may apply either of the following methods for splitting the Competition:

- The competition is split into the number of groups required before it starts. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group. If it is not possible to have groups of equal size there may be a different number of starters in each group;
- The competition is run as one single competition and split afterward into the number of groups required to ensure that there are no more than 100 starters in any group, and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. NB: In this case separate results must be sent to the FEI for each of the groups, e.g. results for Competition 1a and for Competition 1b (and for Competition 1c if the original Competition was split into three groups, etc).

In both cases above each group must offer the same amount of prize money as indicated for the original Competition. For the avoidance of doubt, it is the number of declared starters in the Competition, not the final number of starters that determines whether the Competition must be split.

As all FEI World Cup™ Competitions have the status of a Grand Prix, the minimum prize money requirements for the Grand Prix are applicable to the World Cup™ Competition.

For CSI-W Events with a Grand Prix Competition in addition to the FEI World Cup™ Competition, the minimum prize money requirements indicated for the Grand Prix apply only to the FEI World Cup™ Competition; the Grand Prix Competition at such Events cannot offer more prize money than the prize money offered for the FEI World Cup™ Competition.
